Print. Scan. Share.

Sharp Mobile Print and Scan Solution for iPhone and iPad

Sharpdesk Mobile

Hassle-free Printing

Connect to a Wi-Fi network, select a document, preview and print directly to a supported Sharp MFP from your iPhone or iPad.

Simplified Scanning

Scan hard-copy documents to PDF for easy access by simply scanning from a Sharp MFP to your iPhone or iPad. Your mobile device's profile can be stored as a "scan-to" location on the MFP for easy access.

Seamless Collaboration with Other Applications

Sharpdesk Mobile allows seamless file sharing with other applications. Users can attach scanned files to email, share documents with other iPhone/iPad applications or print files from other iPhone/iPad applications.
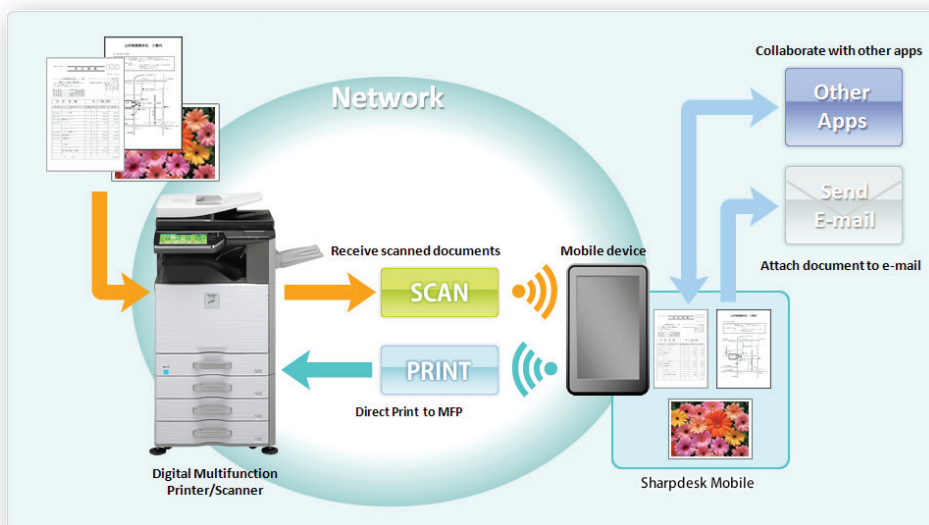

At-A-Glance

Print
- Conveniently print PDF, JPEG & TIFF files from an iPhone or iPad to a supported Sharp MFP
- Print files from other iPhone/iPad apps
- Easily print email attachments from your iPhone or iPad

Scan & Share
- Scan and save files from a supported MFP to your iPhone or iPad
- Quickly email scanned files from your iPhone or iPad
- Share scanned files with other iPhone/iPad applications

Setup
- Available at no cost on the Apple App Store
- Automatically discover and connect to a supported Sharp MFP
- Manually add a supported Sharp MFP
- No driver installations
