

# Sharpdesk® Mobile

## Print. Scan. Share

*Mobile Print and Scan Solution for iPhone®, iPad®, & Android™, Devices*

*Sharpdesk Mobile is a powerful, cutting edge mobile printing and scanning application that allows users to connect to a supported*

*Sharp MFPs via a wireless network from their iPhone, iPad or Android device for hassle-free printing, simplified scanning or seamless sharing with other applications.*

### Hassle-free Printing

Connect to a Wi-Fi network, select a document, preview and print directly to a supported Sharp MFP from your iPhone, iPad or Android device.

### Simplified Scanning

Scan hard-copy documents to PDF for easy access by simply scanning from a Sharp MFP to your iPhone, iPad or Android device. Your mobile device's profile can be stored as a "scan-to" location on the MFP for easy access.

### Seamless Collaboration with Other Applications

Sharpdesk Mobile allows seamless file sharing with other applications. Users can attach scanned files to email, share documents with other applications or print from other applications.

### At-A-Glance

#### Print

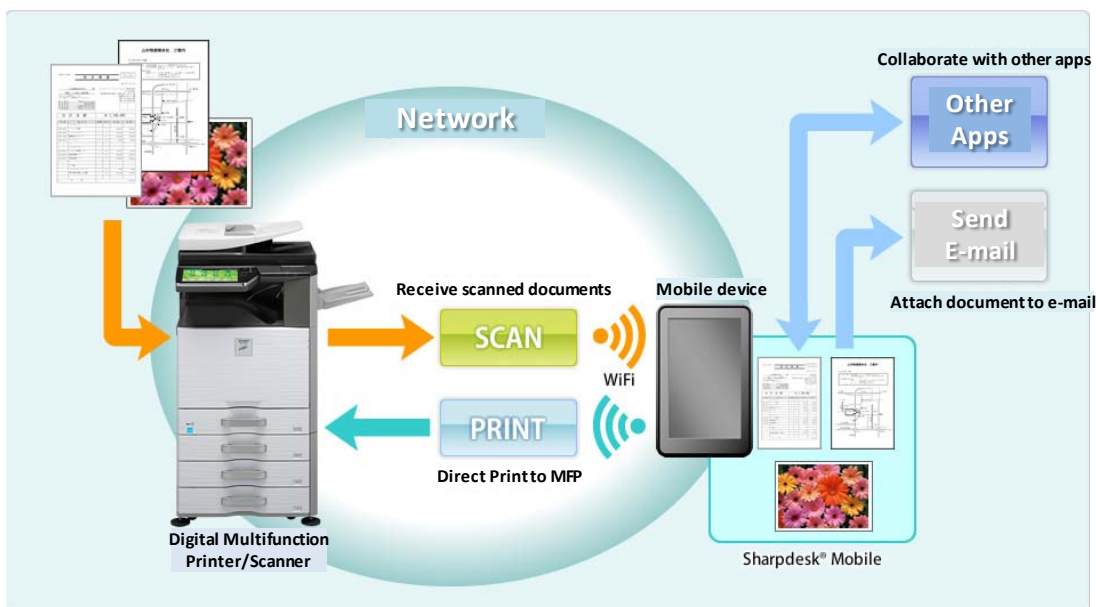

- Conveniently print PDF, JPEG & TIFF files from your iPhone, iPad or Android device
- Print files from other applications
- Easily print email attachments from your mobile device

#### Scan & Share

- Scan and save files from a supported MFP to your mobile device
- Quickly email scanned files from your mobile device
- Share scanned files with other applications

#### Setup

- Available at no cost on the Apple App Store<sup>SM</sup> or Google Play
- Automatically discover and connect to a supported Sharp MFP
- Manually add a supported Sharp MFP
- No driver installations
